Backup Big-Small Japanese Sums Sudoku

Apply classic sudoku rules. Clues outside the grid indicate the sums of groups of digits in the given order. Clues on top refer to groups of big digits (5-9). These groups are separated by at least one small digit (1-4). Clues on the left refer to groups of small digits that are separated by at least one big digit. (For example, a column with the digits 583172964 would have clues "13,7,15", and a row with the digits 583172964 would have clues "4,2,4").
